SKUPOVI 8

Ja sam student
Trebam mi traktor
Trebam mi traktor - doživotno
Trebam mi traktor kao što košuti treba jutarnja rosa

I hladnjača mi treba
Ne zna se kad će rat
Na ovim prosotrima

Dragi slušaoci
Marko je konačno završio oranje
Svi autoputevi su sada njive

Teže se beži do granice kroz oranice

Ali ne ako imaš traktor

Moj deda ima traktor Ferguson 533, lep ko Engleska

Neće da mi ga da, jer mu treba da ide u višnje

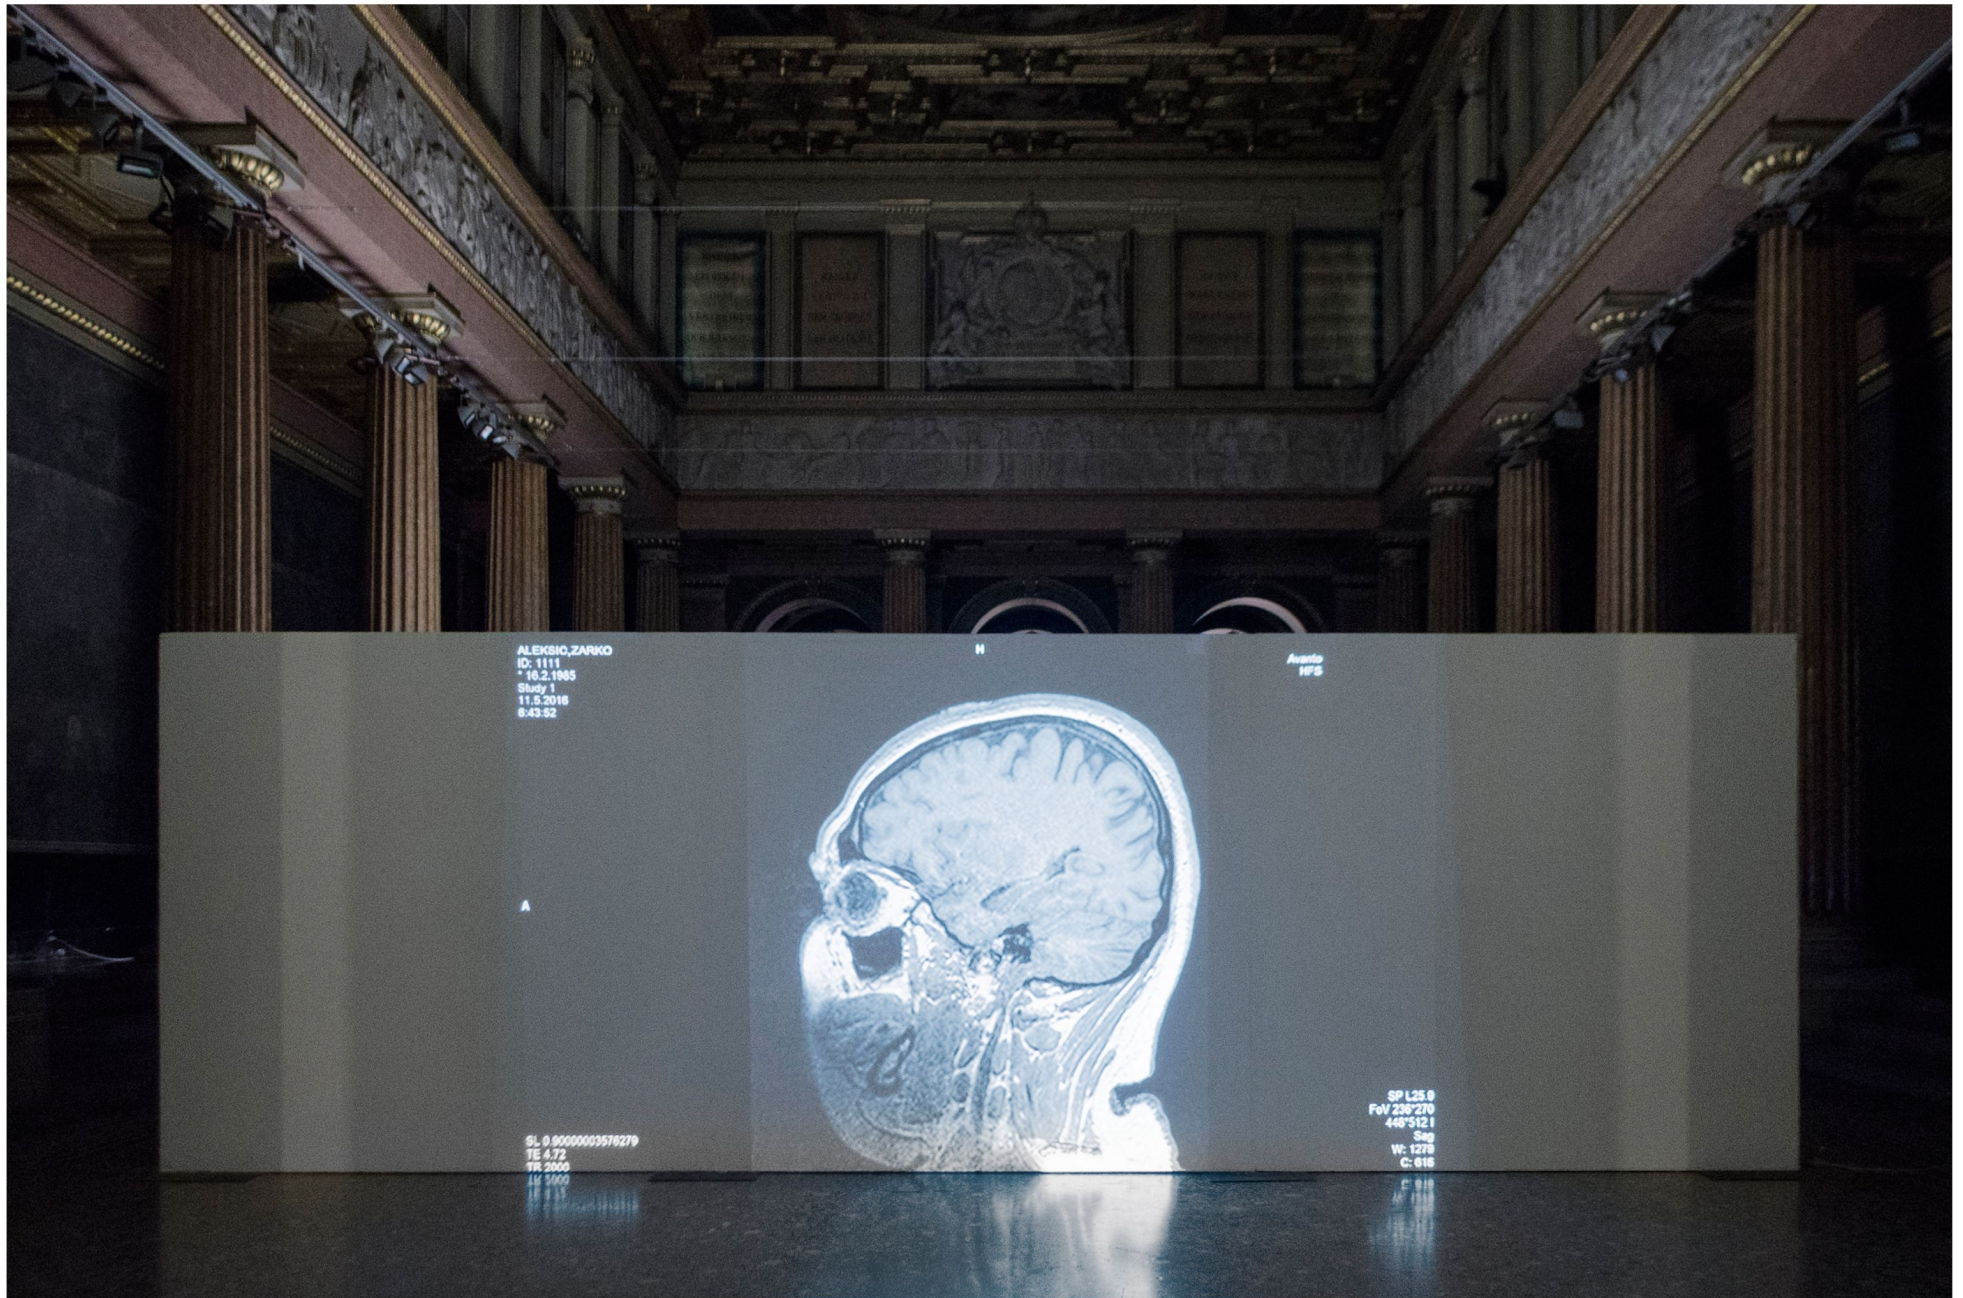

Traktor je život ili bar početak života
Traktor je spiritus movens
